

International conference on biological applications of nanoparticles

(With special reference to magnetic nanoparticles)

(ICON-BIO 2017)

4th-5th December, 2017, Chennai, India

Conference host:

Hosted by MagGenome Technologies Pvt. Ltd in association with IIT-Chennai, Slovak Academy of Sciences and Charotar University of Science and Technology

ICON-BIO 2017

Chief Guest

Padmashree Dr. K.M. Cherian
Chairman, Frontier Lifeline Hospitals

Guest of honor

Dr. T.P. Singh
INSA Distinguished Scientist, AIIMS

Dr. Ajay Kapoor
Pro - VC, Swinburne University

Conference Patrons:

Mr. Sam Santhosh
Chairman, MedGenome Inc
and SciGenom group

Dr. Peter Kopčanský
Director of Institute of Experimental Physics,
Slovak Academy of Sciences

Dr. RV Mehta
Professor (Retd.) Bhavnagar
University

Conference Conveners

Dr. CN Ramchand
CEO, MagGenome
Technologies &
Saksin Lifesciences

Dr. Rama S Verma
Professor,
IIT Chennai

Dr. RV Upadhyay
Dean, PDPIAS,
Charusat

Conference advisory committee

Dr. B J Rao
Senior Professor,
School of
Biological Sciences, TIFR

Mr. Mahesh Pratapneni
Director- Saksin Lifesciences Pvt Ltd
Executive Advisor- Medgenome
Promoter- MagGenome

Dr. Ivo Safarik
Professor, Department
of Nanobiotechnology,
Academy of Sciences,
Czech Republic

Dr. Milan Timko
Senior scientist, Institute of
Experimental Physics
Slovak Academy
of Sciences

Conference theme:

The theme of the conference is "Recent technologies and products based on the use of nanoparticles for biological applications". This theme will help us extending the scope and cover recent progress in nanoparticle research. Also this conference will help industry personals involved in bringing cutting edge research from labs to the market in the form of products to get a chance to showcase their technologies to a highly diverse and relevant audience.

Major focus areas:

Applications in Biomedicine | Applications in Environmental sciences | Applications in Biotechnology
Engineering applications | Special session on Novel products/technologies

Confirmed speaker list:

Padmasree Dr. K M Cherian (Chief Guest)
Prof. T P Singh, INSA Senior Scientist, AIIMS
Prof. B J Rao, TIFR, Mumbai
Dr. K A Singh, Knowledge Advisory Consultancy
Dr. Suprabha Nayar, NML, Jamshedpur
Dr. Utkarsh Jain, Amity University, Noida
Dr. R V Mehta, Prof. Retd, Bhavnagar University
Dr. Radhika Rajasree, Sathyabhama University

Dr. Ivo Safarik, Professor, Academy of Sciences, Czech Republic
Dr. C Anantharamakrishnan, Director, IIFPT, Thanjavur
Dr. Peter Kopcansky, Slovak Academy of Sciences
Dr. Dharendra S Katti, Professor and Head, BSBE, IIT, Kanpur
Dr. Milan Timko, Senior Scientist Slovak Academy of Sciences
Dr. Rajesh Shenoi, Senior Scientist, IUCBR, Kerala
Dr. B Chudasama, Associate Professor, Thapar University
Dr. Krishnakumar Menon, Associate Professor, Amrita Vishwavidhyapeetham

Organizing Secretaries:

- Dr. Tessy Iype, tessy.m@scigenom.com (+91-9946042179)
- Dr. Aniruddha Bhati, aniruddha.b@scigenom.com (+91-9633565461)
